

MOUNTAIN OF FIRE & MIRACLES MINISTRIES

PROVIDENCE PAVILION OF PRAISE BRANCH RI

SPIRITUAL PICTURE OF YEAR 2007: A YEAR OF UNCOMMON FAVOR AND OPEN HEAVEN BREAKTHROUGHS

1. It shall be a year of assorted rages: the rage of the vultures, computer destroying human beings, mysterious violence, pollution and poison, mysterious controversies and rage of waters and land (natural disasters). There would be the rage of marriage destruction and unexplainable confusion.
2. The year shall run like a film show. Some of the events will look like scenes out of movies.
3. It shall be a year of the wound that refused to heal, and the small tree that became big.
4. It shall be a year of very strange friends that will expose their friends to embarrassing circumstances – a year of heavy weight Judas and heavy weight Ahitophels. This will happen personally, nationally and internationally.
5. This year, we need raw, unashamed and violent prayers to avert disaster.
6. It shall be a year of deliverance of many from great afflictions. Long-term afflictions that have refused to go shall suddenly go back to the senders.
7. It is a year to become God's friend like Moses and Abraham – Exodus 33:11, James 2:23.
8. It shall be a year of the clash of weapons (a year of arms and weapons).
9. It shall be a year of strange movements, major shakings and quaking both nationally and internationally.
10. It shall be a year of revival and uncommon outpouring of the Holy Spirit.
11. This year, God shall cause His faithful children to move to very high places. God shall remove those who are blocking His way so that His children can rise.
12. This year, many thrones of iniquity shall collapse and be toppled.
13. This year, God shall shake loose wicked structures that are in many parts of the world and people will see that the Lord is indeed God in the kingdom of men.
14. This year, night watches shall yield dividends to prayer warriors.
15. This year, many long-term tests and trials will produce uncommon testimonies.
16. This year, divine weapons for divine judgment shall begin to take aggressive actions on earth.
17. This year, the Lord shall begin to balance the scale and His judgment shall begin to manifest.
18. It shall be a year when believers will take back what the enemy has stolen. It shall be a year of recovery.
19. It shall be a year of holy confrontations. The conflict that is assigned to hinder your future shall be settled.
20. It shall be a year of unbelievable seductions. Evil doctrines will begin to rise and people will wonder where they come from.
21. It shall be a year of divine surprises particularly on the political scene.
22. It shall be a year of transfer of wealth for kingdom advancement and a big blow on the demon of mammon.
23. It shall be a microphone year. Everything will be louder and more pronounced than it used to be.
24. It shall be a year of positive and negative exclamations.
25. It shall be a year of disgrace for those who are mixing Christianity with witchcraft and other things. The synagogue of satan shall be scattered and those, who are using the name of the Lord to cover up for evil shall be exposed and disgraced.
26. It shall be a year of strange political bedfellows who will eliminate themselves.
27. This year, if those who go to the grave to receive power in order to fight the children of God do so again, they shall not return.
28. It shall be a year of disgrace for children killers and those who commit abortions.
29. It shall be a year of divine compensation for God's children.
30. It shall be a year of monumental failure for those who trust in satanic powers because their fetish powers shall fail them.
31. This year, if you must do business and prosper, it must be founded on integrity because many businesses that are not founded on integrity shall disappear.
32. This year, unfortunately, the enemy is bringing out a new agenda of terror, and drinkers of blood and eaters of flesh. But they that trust in the Lord shall be saved.
33. It shall be a year of unbelievable brainwashing.
34. This year, any political plan or scheme that is not in line with the mind of God will collapse, no matter the individuals involved.
