

**How old should I be
when I get married?**

Age at marriage

Some people are ready and mature enough for marriage at a young age.

Age at marriage

Some people will be ready for marriage at an older age, or possibly never will be ready.

Age at marriage

Before seeking marriage or a relationship, a person should have a relationship with Jesus Christ.

Age at marriage

Understand what the Bible says about marriage, and the roles of a Husband and Wife.

Age at marriage

Consult with couples in your church who are married.

- What were their challenges being in a relationship, during their engagement, during marriage?
- What other advice do they have to offer?

Age at marriage

Marriage is a covenant with god.

Marriage should never be entered into with divorce being an option. Just because the current divorce rate is hovering above 50% does not mean that should apply to you.

Corinthians 13:4-7

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It is not rude, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres.

Age at marriage

When the previous passage describes the love you have for your partner, then marriage is an option whatever age you may be.
