

MOUNTAIN OF FIRE & MIRACLES MINISTRIES

PROVIDENCE PAVILION OF PRAISE BRANCH RI

SPIRITUAL PICTURE OF YEAR 2010:

2010 has been described in the spirit as a hydra-headed with many strange tentacles that are well-organized and intelligent and these tentacles would be released methodically throughout the year. He warned that the patterns of year 2009 would dove-tail into 2010. Year 2010, according to Dr. Daniel Olukoya, the General Overseer of the Mountain of Fire and Miracles Ministries (MFM) World-wide, it is the first year with **DOUBLE-DIGIT** in the 21st century.

The seven characteristic of figure 10 as it would affect the year.

- Figure ten (10) represents the LAW (Remember the 10 Commandments).
- Figure ten (10) is also divine perfection (that is why God demands a tithe of your increase).
- Figure ten (10) represents COMPLETENESS of divine order.
- That figure also means bondage for those who defy the LAW this year.
- It means freedom from bondage for those who obey the LAW this year.
- Figure ten (10) stands for TESTIMONY.
- Figure ten (10) stands for RESPONSIBILITY.

The year 2010 is wrapped in deep mystery and parable. Like never before, the drama at the court of Pharaoh would be replayed this year. There would be interplay of powers. The ancient would confront the new, a year of magical display. There would be the battle of the serpents this year. There would be the rage of swallowing powers. There would be aggressive refusal to obey God. It is a year where the enemy would challenge the Living God. There would be naked display of dark powers. Great temptations to lure people into evil compromise would be present. Be careful for evil diversionary plans. The court of Pharaoh is a place of contest and disgrace of dark powers.
