PROVIDENCE PAVILION OF PRAISE BRANCH RI

**SPIRITUAL PICTURE OF YEAR 2006:
THE YEAR OF OVERCOMING LAUGHTER AND ENLARGEMENT BREAKTHROUGHS**

The Prophetic Picture of the year 2006 **Dr. D. K. Olukoya**

The year 2005 was a year of serious rage of the enemy. There was rage in the waters, land and the skies. There was rage by fire and wind. It was a terrible year of wastage of lives, properties and other resources. Unfortunately, the word given by the Lord for last year is still valid for this year. And unless there is consistent and serious prayers this year, last year's occurrences would be like a child's play compared to what the enemy is planning to do this year.

The year 2006 is practically a year of twenty-five things but I will talk about only twenty-three in this message:

1. It shall be a year of mysterious conflicts. There would be unexplainable conflicts; nobody will know the cause and how they started.
2. There shall be strange appearances to men from the spirit realm. Those who are fond of attending night parties and roaming the streets at night will be in for a special surprise if they do not stop.
3. It shall be a year of the fight of the he-goat and the she-goat. And those around the he-goat and the she-goat will suffer.
4. It shall be a year of plenty of strange occurrences that will stupefy people.
5. Any peace-loving government must make conscious effort to invest in prayers this year. The Lord has a controversy with the nations of the world, and these nations are doing many things, which are not pleasing to the Almighty God. All the natural disasters that occurred last year was a proof that indeed man is powerless. There is no science or human intelligence that can arrest natural disasters. All that the elements need is a command from heaven to move and they will promptly obey; they cannot be stopped by any human effort.
6. It shall be a year of unbelievable surprises.
7. It shall be a year of disunity amongst people, even those from the same clan, tribe, town, etc.
8. Prayerless politicians and government officials will by themselves cause their removal from office this year.
9. This year, the secret behind spiritual and physical terrorism that harassed many people will be revealed. Secrets that some people believed would never be exposed would be revealed.
10. This year, the powers of the heavenly shall be thoroughly shaken up. So, you need to soak yourself in prayers.
11. It shall be a year of strange suicide cases. People, whom no one believed could do such a thing would go ahead and take their own lives.

12. It shall be a year of increased attack on people's brains. There will be a lot of cases of insanity, unless arrested by prayers.
13. This year, the heavens shall wage war against the mighty and the wicked. It shall be a very bad year for wicked men unless they repent.
14. There shall be a divine defence of the poor, widows and the fatherless. Anyone who participates in cheating these groups of people will end up in tragedy.
15. It shall be a year the nakedness of many kings, that is, rulers shall be uncovered.
16. It shall be a year that all the enemies of Nigeria shall be in serious trouble.
17. **It shall be a year of massive failure of occult powers. Those who believe in them shall experience failure and disgrace. It is only the power of God that cannot fail or be disgraced.**
18. It shall be a year many great and new things will begin to happen in the lives of children of God who worship Him in spirit and in truth.
19. It shall be a year God will teach the hands of many of His children to prosper. And those who have been using evil tongues to arrest their prosperity shall be arrested.
20. It shall be a year of miraculous intervention for God's children. Seemingly impossible cases and situations shall receive divine intervention.
21. It shall be a year of super abundance for those who are not stingy with God. Those who are stingy with God, even what they have shall be taken away from them since they are not utilizing it well.
22. It shall be a year of the beginning of a new era and a new order.
23. It shall be a year of accumulation of good things, advancement, strength and power for children of God who worship Him in spirit and in truth.
24. Not revealed.
25. Not revealed.

The Lord has given three scriptures to the members of Mountain of Fire and Miracles Ministries for this year. These scriptures shall be their watchword for the year 2006. They are:

- a. Psalm 2:4: *"He that sitteth in the heaven shall laugh the Lord shall have them in derision."*
- b. Psalm 71:21: *"Thou shalt increase my greatness, and comfort me on every side."*
- c. Ephesians 3:20: *"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us."* I encourage you to memorise these scriptures.

So, for the members of Mountain of Fire and Miracles Ministries, it is a year of, ***"Overcoming laughter and enlargement breakthroughs."*** It is a year that the children of God will laugh their enemies to scorn. Please, take notice that any prophecy given that is totally devoid of a way out of mercy, is unlikely to have come from the Almighty God. Therefore, God has strategies for success this year.

STRATEGIES FOR SUCCESS THIS YEAR

- 1. You must break free from every ungodly thought pattern of the past. The Bible says that as a man thinketh in his heart so is he (Proverbs 23:7).**
- 2. Do not blame others for your failure. If somebody is attacked, and he feels it, the first thing he should do is to find out why the attack was able to penetrate his body, and not to blame those who are firing the arrow.**
- 3. This year focus on God and His unfailing promises. Remove your focus from men, prophets or men of God. Don't go to church to play politics but go there to look for God.**
- 4. Do not nurse your problems but nail them to the cross. Don't fertilize them.**
- 5. Do not embrace your curse but curse your curse.**
- 6. Ensure that this year, you are always in the right company. If you go to the wrong company upon which God has ordained destruction, you will be affected. For example, if a first born of an Israelite was in the house of an Egyptian the day God asked the Israelites to apply blood on their door-posts, he would die because the angel assigned with that responsibility was not interested in who was inside.**
- 7. Crucify your flesh this year. Do not yield to the commandments of the flesh.**
- 8. This year, make Christ your model and leader. If you are in a position and need to take a decision, the first question to ask yourself is, "What would Jesus do if He was in my shoes now?"**
- 9. Obey God's word completely this year**
- 10. Live by faith and grow in faith.**

These are the strategies for success this year. If you follow these strategies strictly, it shall be a year of bigger testimonies for you.
